**Our Children's Place of Coastal Horizons and NC Central School of Law to
Amplify the Voices of Youth with Incarcerated Parents**

DURHAM, NC. Our Children's Place of Coastal Horizons (OCP) actively participates in See Us, Support Us, a national initiative to SEE and SUPPORT children with incarcerated parents. While children with incarcerated parents face unique challenges, their parent remains their parent even when incarcerated: incarceration is where they are; not who they are. Many incarcerated parents are and want to be involved in their child's life, and many children of incarcerated parents want the same.

As our communities focus on keeping children safe and in the classroom, as well as supporting them as they deal with their third school year impacted by Covid, we cannot overlook the almost 17,000 children here in North Carolina who are facing the reality of having a parent in prison. What can we do to support them both in school and in our communities? Please join OCP and NC Central University School of Law for a virtual panel: *Voices and Vision of Youth with Incarcerated Parents*. The panel will be comprised of three young people who had or currently have a parent in jail or prison. This virtual event will be conducted on **Thursday, October 28 from 6:30 to 7:30 p.m.** via Zoom at bit.ly/3F5zZbu. Registration is not required.

Our Children's Place of Coastal Horizons is a statewide program that serves as North Carolina's leading advocate and educational resource focused on children of incarcerated and returning parents.
